Agree of the 30th March

Thank you for messages on our next meeting, scheduled now for May 3 at Pacific Grove, California. (I will be leaving about May 9 for about 6 weeks in Europe).

I am very much gratified by your letter & of course am pleased that you will forward the proposals to the Space Science Board in May.

You can address me c/o Dr. L. L. Cavalli, Via Fatebenefratelli, 18; Milan, Italy until ~~May 26~~ May 9-26; for other intervals best let my secretary forward any correspondence. My itinerary will include Naples, Milan, Genova, Copenhagen, Stockholm, Paris & London & I will be glad to look out for anything in connection with Westin Knight so en route.

J. L.
